

Wheels4Missions

2020-2021 Children's and Youth NMI Project

Thank you to every church who has given toward W4M in the past. The Indianapolis District has now purchased two vehicles for our own district missionaries.

Now it's time to "keep those wheels rolling for Jesus". All vehicles must have tires, repairs, oil changes and even fuel from time to time. Help us to help our missionaries with maintenance costs this year. Send checks to:
