WMB Fast Facts

- *Beginning in 1944, WMB now encompasses TV, Internet, and Video to reach beyond borders and barriers to share the light of Jesus in the dark corners of this world.
- *WMB equips partner ministries with tools to connect with others despite the obstacles!
- *Every church can participate! There is no set budget amount. Give as God leads!

Around the Globe:

*Just one of WMB's programs in Kenya broadcasts the Gospel in six languages to over 24,000 listeners, most of them unbelievers.

*Zontas Television reaches the Greek peoples of Australia

*In South Africa, one-third of Johannesburg's 4.3 million people lives in urban Soweto. *Children for Jesus* streams into the area telling the children of Soweto about Christ.
